DIG SIGN TO BOOM WESTERY DANIELSON AND PUTNAM NEWS.

Electric Signal to Train Passengers that More Industries are Wanted—New Waiting Station for Potter Hill—Post Office Bowlers Coming to Norwich—Earl F. Barber Wins Bride in Wisconsin.

One of the quick results of the recent inspection of the trolley road properties that enter Westery will be the erection of a waiting station on the line of the Ashaway and Westery road near the bridge at Potter Hill. There has been absolute need for such a station since the route has been operated at that point. At the Ashaway terminal the store proprietors are satisfied to have their places utilized as waiting stations for their pecuniary benefit as well as for the accommodation of their patrons, who are also patrons of the trolley road.

Ex-Governor George H. Usher of Westery will deliver the address at the first meeting since organization of the Men's League of Washington Park in the Washington Park Methodist Episcopal church, Providence, Wednesday evening. The object of the league is to promote the public, political, religious and social interests of the residents and taxpayers of the Washington Park district.

The big electric advertising sign authorized by the Westery board of trade at the meeting Thursday night will probably be in position on the frame work of the gas retort of the Westery Light and Power company before the January meeting of the board of trade is held. James A. Welch, chairman of the committee, awarded the contract to Herbert Rodney Ellis, and the sign is already partially constructed. The sign will be eighteen by six feet and bear the words "Westery Industries Wanted. Cheap Power." It will be lighted free by the light and power company for a period of five years, with promise of renewal of agreement.

The sign is placed mainly for the purpose of attracting the attention of train passengers riding through Westery, to the importance of the town as a prospective industrial center, and in the hope of receiving inquiries that may result in new industries being established in the town. It will show to the outside world that Westery is on the map and that it has an active board of trade interested in the general advancement of the town.

The officers elected for the ensuing year to conduct the affairs of Budlong post Woman's Relief corps are: Ida May Clark, president; Helen S. Norman, senior vice president; Minnie E. Young, junior vice president; Jessie E. Burdick, treasurer; Abbie J. Eldred, secretary; Annie E. Burdick, chaplain; Martha R. Shepard, conductor; Kate C. Bamford, guard; Lillian Young, assistant.

THAT NEW LONDON GAME

Described in C. V. Terminal Town With Characteristic Braggadocio.

Down in New London nearly two columns of space were used in a Saturday edition to set the dear public right as to what really did happen at the recent love feast between the basketball team that went down from Danielson last Wednesday night with the avowed intention of giving that opposite-Groton settlement a clean game that would help to bury interest in a sufficient pitch to keep the inhabitants from hibernating until after the holidays. It is just dreadful to live in a town where you have to wait a year for some out of town fellows to come in and row a boat race on your little creek.

The story was printed and the details of the game concerning various points herein hidden in obscurity brought out with spotlight intensity. Manifestly it must have been the greatest event in the Central Vermont terminal town since the boat race. To those who read a modern fable was recalled.

Once upon a time a man lost a horse and advertised a reward for its return. Two men, each anxious to earn the reward, started in search of the horse. One was wise and the other was only moderately so. One of these men started afoot across the fields, while the other jumped into his automobile and soon disappeared in a cloud of dust. He did not return for three days, but the wise one returned in half an hour, leading the horse by the bridle. The owner, surprised by the ease with which the wise one found the beast, asked:

"How did you find the horse?"

To which the other made answer:

"Well, I thought to myself, where would I go if I was a horse, and I went there, and he had."

The man had "hoss" sense. Oh, you, Bragston!

A WOMAN'S BACK

The Aches and Pains Will Disappear If the Advice of This Norwich Citizen is Followed.

A woman's back has many aches and pains. Most times 'tis the kidneys' fault. Backache is really kidney ache; That's why Doan's Kidney Pills cure it.

Many Norwich women know this. Read what one has to say about it: Mrs. Oscar Bjork, 159 Mt. Pleasant Street, Norwich, Conn., says: "I found splendid results from the use of Doan's Kidney Pills and therefore do not hesitate to recommend them. For some time I was greatly annoyed by backache, and when I first arose in the morning the pain in my joints was always more severe. Often if I lay down my back became so lame and painful that I was scarcely able to arise. My mother told me that my suffering was due to my kidneys being at fault, and learning of Doan's Kidney Pills I went to N. D. Sevin & Son's drug store and procured a box. They proved to be just what I required and in a short time the pain and lameness had disappeared. In fact, I felt better in every way. Doan's Kidney Pills fully carry out all claims made for them."

For sale by all dealers. Price 50 cents. Porter-Milburn Co., Buffalo, N. York, sole agents for the United States.

Remember the name—Doan's—and take no other.
